Gsap, Framer motion

EDUCATION

An Giang University **2020**
Software Engineering

LANGUAGE

English

HOBBIES

Read books, Listen to music, Play badminton, and Travel in my free time

OBJECTIVE

I am seeking a position that will enable me to utilize my entire skill set rather than just a limited set of abilities. In my previous roles, I was unable to fully leverage all of my capabilities. Additionally, I am eager to embrace the chance to acquire and master new skills within my field in the upcoming times.

SOFT SKILLS

- Able to work alone and in groups
- Analysis and problem solving
- Sociable and friendly
- Honest and enthusiasm in work

CAREER HISTORY

PAP Technology company **2020/06 - 2022/02**
